I am a Psychology graduate from Jenderal Achmad Yani University with experience in IT talent acquisition and HR recruitment. Throughout my internships, I have been involved in candidate screening and interviews, including conducting interviews in English, helping organizations find the right talent efficiently. Beyond recruitment, I have actively participated in various campus organizations, leading projects in event management. My experiences in coordinating large-scale events, from student elections to training sessions and volunteer programs, have strengthened my organizational, leadership, and problem-solving skills. Passionate about people development, I thrive in dynamic environments and am eager to contribute to the HR field
